

# DID YOU KNOW?

Parental psychological needs satisfaction is influenced by external factors such as the school climate.

A **welcoming** and **positive** school environment contributes to parents' involvement in their child's schooling.

# How to create a positive school environment for parents?

- ➔ Encourage parents to actively participate in school activities
- ➔ Create a welcoming environment by allowing parents to enter and to get involved in the school
- ➔ Organize regular events and meetings to strengthen relationships with parents
